Golfguard Members play golf in the knowledge that they are insured. However, many of our Members also play other sports and as a result we are frequently being asked if we can extend the golf insurance cover to include another sport.

We are therefore pleased to introduce **Golfguard Plus** whereby a Golfguard Member who arranges our full golf insurance can also include cover for another sport/activity **for just £10 per additional sport for the year**. Golfguard Plus cover can also be arranged for other family members who live at the same address.

If cover for fishing/angling is required, please contact us for details of our **Anglers First Insurance**.

A summary of cover that will be provided whilst participating in an additional sport/activity is as follows:

- **Sport(s) equipment up to £250 for each additional sport per insured***
- **Personal Liability Cover up to £5,000,000**
- **Personal Accident Cover up to £50,000** (Juniors £4,000)
in respect of Death, Loss of Limb(s) or Eye(s)
- **Permanent Total Disablement up to £50,000 (Juniors £4,000)**
- **Club Membership Fee Reimbursement up to £1,500**
